

Technical drawing of a building facade showing window and door openings. The drawing includes dimensions and labels for various openings:

- Top left: A set of three window openings with dimensions 295, 280, and 275. Labels include $W5a-135$ and $W5a-136$.
- Top right: A door opening with dimensions 254 and 42, labeled 0.00 .
- Center: A large rectangular opening with dimensions 400x160 and 400x160. Labels include $W5a-152$, $W5a-144$, $W5a-149$, $W5a-145$, $W5a-146$, $W5a-147$, $W5a-150$, $W5a-148$, and $W5a-131$.
- Bottom: A set of three window openings with dimensions 320 and 300.

Technical drawing of a mobile crane with a telescopic boom. The drawing shows the crane's configuration with various models and dimensions. The boom is labeled with models W80-132, W80-131, W80-130, W80-149, W80-148, W80-147, W80-146, W80-145, W80-144, and W80-152. The boom length is indicated as 400/180. The crane is shown with a telescopic boom and a counterweight. The dimensions shown are 41.42 m (boom length), 313 m (base width), 298 m (base length), and 10.00 m (base height). The crane is shown in a side view, with the boom extended. The drawing is a technical illustration of a mobile crane with a telescopic boom, showing various models and dimensions.

Architectural drawing of a building section showing a vertical shaft with various levels and components labeled W8a-114 through W8a-86. The drawing includes dimensions and a scale bar.

Key components and dimensions shown in the drawing:

- W8a-114 (Top level)
- W8a-115 (Two locations)
- W8a-112
- W8a-111
- W8a-86 (Two locations)
- W8a-85 (Two locations)
- W8a-97
- W8a-85 (Two locations)
- W8a-86 (Bottom location)

Dimensions and scale:

- Vertical dimensions: +3.30, -328, -278, -272, -324, -328, -260, -322, -278, -328.
- Horizontal dimensions: +0.00 = 254.42 mm (twice).
- Scale bar: 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10.

Technical drawing of a window assembly in section, showing various components and dimensions. The drawing includes the following labels and dimensions:

- Labels:**
 - N8b-78
 - N8b-70
 - N8b-78
 - N8b-71
 - WBb-79
 - WBb-73
 - S7
- Dimensions:**
 - 286
 - 260
 - 280
 - 286
 - 300
 - 2,40
 - 3,40
 - 4,70
